## PASTORAL REFLECTIONS

“Loving God and Loving Neighbor”

A familiar Gospel text that we especially need to take time to re-read and keep central in our lives at this time as votes are cast and counted and we continue to deal with the challenge of COVID19 and keeping all healthy is Matthew 22:34-39:

*When the Pharisees heard that Jesus had silenced the Sadducees, they gathered together, and one of them, a lawyer, asked him a question to test him. "Teacher, which commandment in the law is the greatest?" Jesus said to him, "'You shall love the Lord your God with all your heart, and with all your soul, and with all your mind.' This is the greatest and first commandment. And a second is like it: 'You shall love your neighbor as yourself.'"*

Do we allow these words to guide our actions? Notice the command to love appears in both commandments. While these are hard commandments to follow, do we pray that Jesus has enabled us to understand the importance of these commands since they are the greatest commands? Our tendency is usually to love ourselves and those who are most important to us. Our usual response is to make decisions based on our own needs.

But what about loving God with our whole being, heart, mind, and soul and loving our neighbors? How do we love our neighbors as ourselves? This love that Jesus talks about does not have restrictions or boundaries. This is a challenge - it is our normal response to put limits on our love. This love that Jesus talks about is lavish. It is a love that does not place restrictions, criteria, or conditions. It does not consider what someone can do for us if we love them. It does not permit us to say: "I will love him or her only if I am loved in return." It does not consider place of origin, political party, or color of one's skin, so we cannot say: "I will not help them since they are Mexican illegals."

Consider how radical this love is and what it looks like. Two mothers and their children were being driven by a shelter volunteer to their new apartments after spending time in a shelter. As the driver stopped at the first apartment, the mother asked the driver if he had change for a twenty dollar bill. The driver gave her two ten dollar bills. She gave one ten dollar bill to the other mother, and the mother looked shocked, and said, "Why are you giving me this? This is the only money you have." The woman said, "But you have nothing, so I am sharing with you."

**There is now in-person worship in the church building on Sundays at 11:15 am. Zoom opportunities are still available as well.**

### 2020 PER CAPITA

\$35.70

The director of Annunciation House, a center for refugees in Texas, tells this story: A woman who was very ill came to the center, and when she had recovered, she agreed to a one-day job as a housekeeper. When the woman returned to Annunciation House after a day of difficult work, she shared that she had only been paid \$15 for her full day's work. She handed the center director \$10 to put in her own family's account, and then she handed him the remaining \$5 and said to give it to someone who needed it.

Who is willing to do this? Who gives half of what they have to a stranger? Or gives one-third of a day's wages to a stranger when it is uncertain when any future income will be received? **Who** is willing to do this? Those who take these commandments seriously. Those who strive to follow Christ.

In this time of COVID19, we tend to be so self-focused on why we can't do what we want when we want and live life the way we always have. But we must love our neighbor. Loving God is connected with loving our neighbor as these commands point out. Dorothy Day said about these commands, "**I really only love God as much as I love the person I love the least.**"

During these challenging times, may we remember to love God and love others.

Pastor Julie

### DEACONS' CHRISTMAS BASKETS

It is our traditional mission to help local families have a merrier Christmas. To carry out that project this year, we will be collecting monetary donations instead of actual canned food, etc. We will provide grocery gift cards to local people who could use some extra help. If you would like to help the deacons with this mission, please send your monetary donation to the church office by December 15. Please write "Deacons' Baskets" in the memo line of your check or on the envelope. If you know of anyone who needs some extra help at this especially chaotic time, please give their name to a deacon or to the church office. Thank you!

# **RAINBOW STATION NEWS**

Happy Thanksgiving! We have much to be thankful for. To

date, no one from our center has been sick with the COVID19 virus. We have had some close calls with family members, but nothing that has effected us. When an issue comes up, I contact our local health department and follow their guidelines. We appreciate your prayers for further protection from the virus, especially as the cold and flu season approaches.

Continue to pray that God will send us families that we can be of help to. Our counts have been low, and I am hearing that parents are afraid to send their children. We are trusting God to take care of us physically, mentally, spiritually and financially. I know, when the time is right, He will send us more children. I am just thankful no one here has had the virus.

We will not be doing our usual canned goods drive during the month of November, but will encourage our parents to support the local food bank with their financial donations.

Thank you for all your support of any kind, whether through your finances or your prayers.

You are greatly appreciated.

1 Thessalonians 5:16-18. " Re-joice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus."
